2018 SMALL GRANT EVALUATION

Congratulations on being a recipient of Small Grant Program funds! We'd like to learn more about what made your program/project successful or what you might have learned to make it better. Please consider surveying your program participants to have their perspective on the benefits/potential to incorporate in your information shared with us—feel free to include copies of the participant evaluation/survey materials if you deem appropriate.

Name of project/program & preparer: _____

Date held/duration of project: _____

Number of participants: _____

Success of the project/program (i.e., education materials developed, benefits/volume to/of affected landscape, etc.):

How was funding spent? What (if anything) would you have changed about implementation?
