2019 SMALL GRANT EVALUATION

Congratulations on being a recipient of Small Grant Program funds! We'd like to learn more about what made your program/project successful or what you might have learned to make it better. Please consider surveying your program participants to have their perspective on the benefits/potential to incorporate in your information shared with us—feel free to include copies of the participant evaluation/survey materials if you deem appropriate.

Grant # (found on your agreement) **& preparer:** _____

Date held/Duration of project: _____

Number of participants: _____

Project/program success to date (i.e., education materials developed, benefits/volume of affected landscape, etc.):

How was funding spent? What (if anything) would you have changed about implementation?
