

### WORKING GRASSLAND PARTNERSHIP AGREEMENT

This agreement (with attachments) made this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_, by and between Name (Husband/Wife) and Address, herein after referred to as Cooperators (whether one or more) and the North Dakota Natural Resources Trust, hereinafter referred to as the Trust,

WHEREAS, the Cooperators have land qualified for various conservation practices and wish to manage that land with good land and water stewardship, and

WHEREAS, the Trust seeks to promote good land and water stewardship on that land.

NOW, THEREFORE, for and in consideration of the sum of \_\_\_\_\_ (\$00,000), based upon the mutual covenants contained herein and the consideration provided therefore, the parties hereby agree as follows:

1. The Cooperators represent and warrant sound management for production agriculture on a certain parcel of real estate located in \_\_\_\_\_ County, North Dakota, described as follows:  
\_\_\_\_\_ of Section \_\_\_\_, in Township \_\_\_\_ North, Range \_\_ West.
2. The Cooperators may use the above described land in the customary manner for agricultural purposes except as provided in this agreement.
3. The terms of this agreement will be as described in all attachments.
4. The Cooperators agree to participate in a conservation management program and personally carry out wildlife management activities with financial or material support as described in the attached documents as follows:

\_\_\_\_\_ Attachment A – Livestock water development consisting of a \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_ as shown on the attached maps.

\_\_\_\_\_ Attachment B – Livestock fencing development of \_\_\_\_\_ (\_\_,\_\_\_\_) feet of fence as shown on the attached maps.

5. Cooperators agree to consider public access options through the North Dakota Game and Fish Department's Private Lands Open to Sportsman program. \_\_\_\_\_ (Initial) Public access is not required for participation in Working Grassland Partnership program.
6. This is a joint project between the Cooperators, the Trust, and the Outdoor Heritage Fund on the above described land. The Cooperators agree to participate in a rotational grazing management plan and to follow the developed and approved work plan throughout the full duration of this agreement.
7. This agreement may be terminated in writing by the Cooperators within 30 days written notice. This agreement may be modified at any time by mutual consent of both parties. If terminated by the Cooperators and land is withdrawn from the agreement for an inconsistent use, the Cooperators agree to repay to the Trust an amount equal to the percent of the acreage removed in relation to the total agreement times the buyback price for the entire agreement, at the time the acreage is withdrawn, as listed below:
  - a. At any time during the first two years, if this agreement is terminated by the Cooperators, they will reimburse the Trust 150 percent of the payments received from the Trust.
  - b. 10 year agreement: Any time after the first two years, the Cooperators will reimburse the Trust 10 percent of the payments received from the Trust for each year remaining on the agreement.
8. Except as herein granted, the Cooperators retain all rights to control the property and retain all responsibility for the property, including payment of taxes, insurance, and assessments.
9. The Cooperators grant to the Trust, its employees, agents, assigns and contractors, the right to enter the land at reasonable times for monitoring purposes and to perform activities consistent with this agreement. The Cooperators further understands and acknowledges that Outdoor Heritage Board policy requires that information about participation in WGP be provided to the North Dakota Industrial Commission and as such is available to Outdoor Heritage Fund board members and the general public upon request.
10. The Cooperators agree to hold harmless the Trust, to defend and indemnify the Trust from all claims and/or lawsuits made by any person or entity against the Trust in connection with this agreement.
11. This agreement will run with the land and will bind all persons and entities who will come into ownership or possession of the land during the terms of this agreement. Reference to and inclusion of this agreement must be made in all purchase agreements, deeds, or other conveyances during the terms of this agreement, and failure to do so constitutes a material breach of this agreement. The Cooperators, successors and assigns, will notify the Trust in writing of any sale or transfer of any portion of the land

subject to this agreement at least 60 days prior to said sale or transfer. The Trust will record an affidavit of notice of agreement.

12. In the event of breach of any of the terms of this agreement by the Cooperators, parties agree damages will be calculated as set forth in paragraph 7 of this agreement. The parties hereto specifically agree that the amount of damage stated in paragraph 7 is presumed to be the damage sustained by a breach of this agreement by Cooperators and is a reasonable attempt by the parties to fix damages. The parties agree that it would be impracticable or extremely difficult to fix the actual damages caused to the conservation values protected by this agreement by Cooperators' breach and therefore agree to fix the damages in this matter as indicated in paragraph 7. The parties agree that the damages calculated above bear a reasonable relationship to the damages that will result from Cooperators' breach. Cooperators also will be responsible for all costs incurred by the Trust in the enforcement of the terms of this agreement, including all court costs and attorney's fees.
13. Upon the expiration of the terms of this agreement, the conservation developments will become the property of the Cooperators.
14. The Cooperators will assist in securing all necessary permits and technical advice for conservation activities associated with the above described lands.
15. The Cooperators warrant that they are the record title holder of the subject property and have full authority to enter into this agreement, and further warrant that there are no outstanding rights that interfere with or adversely affect this agreement.
